CITIZENS FIRE ACADEMY

On behalf of the members of the West Fargo Fire Department, I want to thank you for your interest in the Citizen's Fire Academy. This program is meant to foster relationships between our community and the fire department.

This program will display the fire department's breadth of skills and service capabilities. Attendees will be exposed to hands-on scenarios and real life situations that will challenge and inform you on some of the calls the West Fargo Fire Department goes on everyday.

I invite you to join the Citizen's Fire Academy and look forward to your participation in this community program.

- CHIEF FULLER
